Perspective plan for Academic Year 2021-2022

High speed Internet and Wi-Fi

The institute intends to prioritize High-speed internet and Wi-Fi this year. High-speed internet and Wi-Fi are crucial for teaching. They allow easy access to online resources, smooth virtual lectures, and interactive learning. Teachers use these tools for sharing materials, collaborative activities, and live demonstrations. It enhances communication, making online learning more effective. Overall, these technologies play a crucial role in enhancing the quality and accessibility of teaching in the digital age. In the modern educational landscape, the integration of high-speed internet connection and Wi-Fi plays a pivotal role in transforming the traditional methods of teaching. These technologies facilitate a dynamic and interactive learning environment, providing teachers with powerful tools to enhance the educational experience.
