SUMMARY OF MOU

Year 2022-23 to 2018-19

BVCOFA has entered into Memorandums of Understanding (MOUs) with various industries to enhance the students' knowledge. These agreements aim to align our curriculum with industry standards and requirements, ensuring that the academic programs meet the needs of the industry. This alignment facilitates the integration of theoretical knowledge with practical industry demands, thereby better preparing the students for professional success. It helps keep the academic activities in the institute in a more realistic perspective and also expands the scope of learning experiences for students.

Objectives:

- Promoting research and innovation
- Enhancing students' learning experience through internships
- Improving curriculum relevance
- Facilitating faculty engagement
- Supporting entrepreneurship and startups
- Strengthening industry-academia partnership

For the last 5 years, MOUs with various industries, IT sectors, and advertising agencies have been signed. Activities such as curriculum design, industrial training and visits, internship placement for students, research and development, skill development programs, guest lectures, and faculty development programs have been conducted.
