Subject - Letter of Recommendation for Ms. Bhavana Chopada

To Whom it may concern,

It is my pleasure to write this letter of recommendation for Bhavana Chopada on behalf of Rotaract Club of Bibwewadi Pune. I have had the enjoyment of watching her develop professionally over the past 1 year, and I can state confidently that she is one of our best volunteers.

Through Bhavana's eagerness and proficiency at managing multiple tasks assigned to her, she was promoted quickly to the Joint Secretary of the club for the tenure 2022-23. She remains professional, consistent and diligent when given projects and enjoys a fast-paced environment where she is challenged. She is able to work independently and collaboratively with other directors and members of the club via effective communication. Bhavana is also able to prioritize various tasks and is consistently punctual, making her a dependable person.

Additionally, with excellent communication skills and a natural affable temperament, she is able to make people at ease and organize events and other such activities in a practiced manner.

In my opinion Bhavana has shown herself to be a resourceful and productive and earned the position of being the mentor for the year 2022-23. She continues to make a strong impact to our organization.

She is qualified to take on all responsibilities and opportunities coming her way. I am sure with the supplementary support and resources your establishment has to offer, Bhavana will flourish even more. I have confidence in her skills and can assure that her effort will be steady.

LETTER OF RECOMMENDATION

To Whom It May Concern,

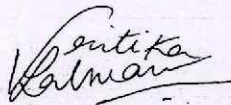

Sumaiya Deshpande is a bright young student who has **successfully completed a graphic design internship with Praxis between July to September 2022.**

Sumaiya has been deeply engaged with building the Praxis website, and has been diligent in completing all her tasks. She has not shied away from learning new softwares- in this case Wix- and has demonstrated an eagerness to master any tool put in front of her.

Sumaiya has showcased a great deal of understanding of visual language and has quickly grasped the look and feel of not only Praxis, but other brands as well. In time, she will undoubtedly be able to tackle any visual project with great attention to detail and finishing.

I recommend that she continues her journey into UI/UX design, and build her foundational understanding of interfaces. She will then be equipped to experiment more in this upcoming field and surprise us with experiential and functional touchpoints.

It has been a pleasure to work with a responsible and capable individual like Sumaiya, and I am sure she will excel in her design career.
